

Wednesday Nights Out
presents
Gwen Southgate the author of
The Coin Street
Chronicles

Wednesday 2nd February 2011 at 7pm

In January, 1929, Eileen Gwynneth Yvonne was born in a meager one-room apartment on Coin Street in a grimy, industrial corner of London on the south bank of the Thames. In this memoir, Gwen Southgate weaves the story of a vanished time, place, and way of life in an area that is now a cultural showcase known as the South Bank. Come in and hear Gwen talk about her life and how it had changed after she was evacuated from London during world war II.
