We've posted 39 photographs of rocks, masonry statues, pavers, and other stone things in Hopewell Borough on our website and Facebook page.

- Each photo of a stone has a title with a number, like this → →
- Print this answer sheet at home or pick one up in the library. When you find each stone, write its address on the answer sheet.
- **Please do not trespass** on anybody's property! Except for three on public property, you can see the stones from the sidewalk.
- The stones are within the bounds of Hopewell Borough.

Hunt rules

- Children 12 and under: find a baker's dozen (13) of the stones. Any child who turns in an answer sheet wins a prize! (Note: Children who find more than 26 stones will be automatically entered in the adult contest as well.)
- Young adults, adults, and family groups: find as many as you can. You may not have to find all 39 to be a winner!
- Hunt at your own pace throughout the month of July. Return your answer sheet to Hopewell Public Library by **Tuesday, July 31 at 8:00 pm**
