

Hopewell Public Library presents...

A Peak Experience:

The 2019 Town-Wide,
Month-Long

Scavenger Hunt

The scavenger hunt is for the whole month of July and is self-guided – take as long as you need to find as many of the items as you can.

This file contains 36 photographs of architectural features and other surprises found on the gables, peaks, and rooftops above Hopewell Boro (not only downtown). Each one has a number. You can spot each one from the sidewalk -- please do not trespass on private property.

When you find one, write down the address on the answer sheet (downloadable from www.redlibrary.org, or in the library).

Turn in your answer sheet at the library **by 8:00pm on Wed., July 31.**

Children 12 and under: find at least a baker's dozen (13). All children who turn in an answer sheet win a prize.

Young adults, adults, and family/friend groups: find as many of the 36 as you can. **You do not have to find all 36 to win!** Win a prize from a local business -- and bragging rights, of course.

2019 HPL Scavenger Hunt

Answer Sheet

Name: _____ Phone number: _____

Check One: Child 12 or under Adult/Young adult Group
